Rhode Island Mission of Mercy (RIMOM)

FREE Dental Clinic May 31 – June 1, 2014*

CCRI (Community College of RI), 1762 Louisquisset Pike, Lincoln
Sponsored by the Rhode Island Oral Health Foundation (RIOHF)

RI Mission of Mercy (RIMOM) is a two-day FREE dental clinic where treatment is provided at no cost to adults and children who cannot afford dental care. RIMOM is only a stopgap measure for people with nowhere else to turn for dental care. It is not a health care program. The clinic is a fully equipped dental center, with digital radiography, a sterilization center, and electronic dental records. In addition, mobile dental equipment will be utilized for care services. All services at the RIMOM clinic are provided on a first-come, first-served basis until they have reached capacity for the day.

*Pre-Registration Required – Opens February, 2014.

Rlte Smiles Dental Care – Insurance for Children

Rlte Smiles is Rhode Island's dental program for young children who have Medical Assistance coverage. Eligible children enroll in a dental plan through United Healthcare Dental. Children who are eligible for Medical Assistance and who were born on or after May 1, 2000, will be automatically enrolled in Rlte Smiles.
